About Bob Fu – A Fake Pastor

By 秘密翻译组 - 2020-01-07 23:16

1. Bob Fu is not a human rights activist. The reason he is the human rights activist is that he is using that to be the leader of human trafficking. I have a lot of evidence and stories about this. I will share it with you gradually. Bob Fu does human right for the human trafficking business.

matter of policy, it opposes forced abortions and compulsory sterilizations.¹⁷

In 2010, China Aid received \$1.28 million in contributions and grants and \$84,741 in other funds. Their staff consisted of 16 paid employees and 40 volunteers.¹⁸ Two years later in 2012, China Aid had a budget of \$1.6 million; offices in Kansas, Washington, D.C., and Los Angeles; and a full-time staff of "dozens" in China and more than six in America.¹⁹ The organization runs an annual China Aid gala at the Midland Country Club, which raised \$400,000 in 2012.²⁰ Most of the money comes from Midland oil and gas industry donors. In relative terms, China Aid does not receive much support from the Chinese American community.²¹ The oil town was the childhood home of George W. Bush and houses many evangelical pressure groups that advocate on behalf of Christians in non-Christian countries like North Korea.²² Many residents are on the board of China Aid.²³ The human rights lawyer Li Baiguang died in February 2016.²⁴

China Aid Association has 15 paid employees and 40 volunteers as reported

According to the 2017 Form 990, pastor Fu received 1.5 million dollars in donations in 2017. It is reported that Fu's organization has 15 employees, and the salary cost for 2017 years is \$160,000 , or more than \$10,000 per person, but the travel expenses are claimed for \$70,000.

2. Bob Fu is a fake priest who had never been a pastor of any church, nor had he ever taught anything and is not familiar with the bible. 100% hypocrite. His wife owned and operated at least two very profitable wineries

3. Bob Fu is very lecherous and has harassed several young female volunteers who work for CCA, one of whom is now a reporter for Radio Free Asia. Every time Bob Fu was on a business trip, his wife arranged entourage to monitor him, and told them not to let Bob Fu alone in a room. Bob Fu is very self-abasement to his appearance and height. On one occasion, a couple he had rescued told him to pull his head and feet at the same time every day; you will grow taller. He pulled his head and feet every day for several months.

4. Bob Fu helped a lot of people, most people fell out with him, including Chen Guangcheng. But it was very strange that these people did not dare to expose him after they had left him. I don't know what he did. Whenever he was afraid someone would betray him, he would report him to the US authorities for working for the communist party, pre-emptively destroying their credibility.

5. Gao Zhisheng's wife Geng He once applied for a restraining order against Bob Fu in the court. This happened between 2009 and 2012. Please go to the court in Texas and check the records, you will find them.

6. Many people who had close contact with him said, do not have anything to do with him; it's unlucky! The wife of Li Baiguang, a human rights lawyer who died of cancer, had warned several friends not to contact Bob Fu. In the process of rescue, Cao Sanqiang priest Cao Sanqiang's wife also said the same thing. And earnest request the State Council, in the rescue of Cao Sanqiang do not want him to intervene. Zhang Heci (Zhang Dongsu's son), who lives in Australia, told several of his friends that Bob Fu had sold him out to the Chinese communist party and should never have anything to do with him. You can try to get in touch with Zhang Heci.

7. Bob Fu's fees are costly, he brought all kinds of people to the United States, there is the communist party arrested a Henan Mr. Zhang, a leader of a gang. He dressed him up as a Christian leader, suffered religious persecution, and then charged high fees to save the head of the gang's daughter, son-in-law, and their Beibei to the United States. The couple has fallen out with Bob Fu; you should try to find the couple, the woman's surname is Zhang, you can find it online. From 2012 to 2016.

8. Bob Fu is bold, often pretend to represent the United States to deal with a variety of things. This is a criminal offence; there are a few times when he was exposed, he immediately fabricated reasons to stop the action by letting the collaborators confused. In this respect, I have a lot of information because of the criminal involved, so I am more careful about processing the information.

9. Yuan Jianbin told many friends that Bob Fu had helped him and his daughter return to the United States and that he had given him at least \$100,000. Bob Fu called Yuan Jianbin, who was trapped in Shanghai, and said he called Hillary overnight, and she will intervene to rescue him. Bob Fu's assistant at the time and the person responsible for the rescue of Yuan Jianbin, who lived in suburban Washington, Wu Chaoyang. In the democratic movement circle, a lot of people know about it, because Yuan Jianbin talked about it everywhere.

10. He has brought dozens of his family and relatives to the United States, where his family owns about ten luxury houses in and around Midland.

After the Tiananmen Square massacre in June 1989, Bob & his wife were arrested and imprisoned.

Bob Fu, who was jailed after Tiananmen Square massacre in 1989, became a teacher at a CCP's party school in 1994. It casts doubt on the veracity of the arrest after Tiananmen Square massacre and whether it was a lie invented to gain American political asylum.
